The Bracken Trust was founded in November 1995 and is a registered charity, based in Llandrindod Wells that provides holistic support to anyone affected by cancer.

Our mission

To provide evidence based holistic care to anyone suffering from or affected by cancer, including family/carer and or bereaved relatives, living in Powys and its borders.

What we do

The Trust provides qualified nursing support and advice, counselling, a range of complementary body therapies and other social activities, which encourage people to manage their condition and maintain a good quality of life. All of these services are provided free of charge.

How we are funded

The Trust receives no statutory funding and therefore relies entirely on grant funding, local fund raising, legacies and donations.

What's involved?

Trustees serve a term of three years and then must stand for re-election.

Trustee meetings are held once a month for 10 months of the year, at The Trust premises; however, meetings can be accessed remotely.
